HONG KONG AVIATION CLUB

CLUB CAR PARK REGULATIONS

In accordance with the terms of the Club's Tenancy Agreement, use of the Car park must be controlled and operated to the satisfaction of the District Land Office. The following Rules and Regulations must therefore be followed:-

1. Members cars and Members' guests' cars are only allowed to park in the car park area when actually using the facilities of the Club.
2. Only cars displaying the current car park label, which matches the vehicle registration list, will be allowed admittance to the car park area. For guests, Member should enter the details of the guest's car in the book at the entrance to the Aero Bar.
3. A member must apply on the prescribed Application Form for the issuance of the car park windscreen label. Members may apply for a car park label for a second car only if it is for their own or immediate family personal use. Proof of ownership / control of both vehicles must be shown.
4. Commercial vehicles are not permitted entry to the car park area.
5. Private vehicles displaying commercial advertising will not normally be issued a car park label or be allowed into the car park area unless proof is presented, to the satisfaction of the General Committee, that the vehicle is used for regular personal transportation of the Member concerned.
6. Lost windscreen labels will only be replaced on further application and payment of the full fee.
7. The car park windscreen label may only be used on the vehicle for which it was issued. Transfer of windscreen labels is prohibited. Should a Member changes cars, a new label will be issued free of charge on surrender of the old label.
8. Cars washing by outside Car-cleaner is prohibited.
9. *Cars parked in breach of these regulations are liable to be clamped. Cars which have been clamped will not be released until a release fee (currently HK \$3,000) has been paid in cash.*
10. Failure to abide by these car park regulations, or any regulation issued in the future, will result in the Members' car park privileges being revoked and could result, if so decided by General Committee, in the expulsion of the Member concerned.
11. The Hong Kong Aviation Club Ltd is not responsible in any way for any theft, pilferage from or damage to Members' or Members' guests' cars while parked on the Club premises.

BY ORDER OF THE GENERAL COMMITTEE
1996
